### Label the Parts of a Turkey

**Beard** - Male turkeys (and a few females) have a bundle of long, thin, dark feather on the chest, called a beard.

**Bill** - Turkeys have a hard, pointed bill (also called the beak) which they use to get food. They eat insects, worms, fruit, seeds, acorns, grains, slugs, snails, and many other foods

**Caruncle** - The reddish-pink fleshy growth on the head and upper neck of the turkey.

**Eye** - Turkeys have two eyes and excellent vision.

**Snood** - The flap of skin that grows from the base of the turkey's bill and hangs over the bill.

**Spur on leg** - Male turkeys have a spike above each foot.

**Tail fan** - The long, colorful tail feathers of the turkey.

**Wattle** - Bright red skin that hangs from a turkey's neck.
